

at 889-8446.

The Bryan Family YMCA has opened its newest area, the Energy Factory, with financial help from the Kiwanis Club of Greensboro.

This activity area, designed for ages 7 through 15, is one of four Energy Factory spaces to be opened among the six Greensboro Y branches.

The Kiwanis Club of Greensboro donated \$15,000 to build this new area. It is the Greensboro Kiwanis Foundation's major project for 2010. The space is named in memory of Dr. John Bumgarner, a local cardiologist and member of Kiwanis for 25 years. In addition, he was a Bryan Y member and attended the Y daily.
