As part of Camp Weaver's healthy living initiative, the organization has been working to obtain a grant to start an organic garden at the camp. The organization has applied for a \$15,000 grant through Bimbo Bakeries (Arnold Breads) and has been voted in the top 5. The top 5 entries have been posted online at <http://www.getingrained.com> for public voting. They will award grants to the top two finalists. The grant includes a year supply of bread as well. Voting ends Nov. 29. Information: 854-8410.
