FOR IMMEDIATE RELEASE

SUMMER FUN AT CAMP WEAVER BEGINS SOON

First open house at camp is March 29

Greensboro, N.C., March 13, 2009 – YMCA's Camp Weaver offers day and over night one week programs which are the perfect way for your child to have the ultimate summer camp experience. Offering exciting choices such as archery, swimming, arts and crafts, skateboarding and even horseback riding, Camp Weaver has activities that fit the interest of each camper.

Day camp is for rising 1st through 9th graders. Overnight camp is open to rising 2nd graders through 10th graders. Children are grouped by age and make the journey to each camp activity under the supervision of camp counselors. Each day camper will have the opportunity to participate in both land and water activities. The day camp is a great opportunity for those campers who may be looking to take that first step towards summer resident camp, but may not quite be ready to stay overnight.

Day and over night camp begins on June 14 and run through August 21. Cost ranges vary from day to over night; please contact Camp Weaver for more information. Bus transportation is also provided for campers for an extra fee.

Camp Weaver is holding Open House on March 29, April 19, and May 3 from 2-4 p.m. each day. Potential campers may tour the facility and meet staff and counselors. For more information, please contact Jamie Cosson at 336-697-0525.

For 120 years in Greensboro, the mission of the YMCA has been to put Judeo-Christian principles into practice through programs that build a healthy spirit, mind, and body for all. We build strong kids, strong families, and strong communities.
