FOR IMMEDIATE RELEASE

CAMP WEAVER ADVENTURE GUIDES WRAPS UP 2009 SEASON

Camp out is planned for April 24-26

Greensboro, N.C., March 13, 2009 -- YMCA Camp Weaver Adventure Guides wraps up their 2009 season with a camp out this upcoming April 24-26 at the Y's Camp Cheerio's facility in Roaring Gap, N.C. The program, which runs primarily during the course of the school year, gives parents the opportunity to build strong relationships with their children. During the adventure guide program, parents and their children will join a "Circle" with other parents and children where they will participate in activities such as games, camping trips, ceremonies, and family adventures.

Adventure Guides is for all fathers with children ages 5 through 12, and each circle meets twice a month. The cost is \$65 per father with one child and \$15 for each additional child. For more information on this program, please contact Jamie Cosson at YMCA Camp Weaver at 336-697-0525.

For 120 years in Greensboro, the mission of the YMCA has been to put Judeo-Christian principles into practice through programs that build a healthy spirit, mind, and body for all. We build strong kids, strong families, and strong communities.
