# HAYES-TAYLOR MEMORIAL YMCA

Hayes-Taylor Memorial YMCA welcomes the opportunity to be “Partners with Parents” in the nurturing and development of each child.

Our YMCA childcare programs provide quality, safety, and fun in a Christian environment.

Our childcare professionals teach the core character development traits of the YMCA: caring, honesty, respect, and responsibility.

Our philosophy of “children learn through play” is supported by the National Association for the Education of Young Children (NAEYC). We strengthen this philosophy each day through:

- Providing learning opportunities and a variety of programs such as swimming, music, creative movement, computer skills, and free play
- Emphasizing social skills such as sharing, fair play, and getting along with others
- Customizing programs to meet the needs of each individual child
- Maintaining a low child-to-staff ratio
- Providing nutritional snacks and hot meals
- Encouraging parent involvement

Our mission is to put Judeo-Christian principles into practice through programs that build healthy spirit, mind and body for all. Financial assistance is available through our Open Doors program. It is our goal to turn no one away due to an inability to pay program or membership fees.
