# AFTER SCHOOL AT THE Y!

LEARN WITHOUT LIMITS

RAGSDALE YMCA

## AFTER-SCHOOL CARE EXCEL AFTER THE BELL

The YMCA is recognized as a national leader in safe, supportive and nurturing childcare. Qualified and caring staff focus on nurturing the development of each child. Our holistic approach helps children improve their study habits and reading skills, build healthy eating and physical activity habits, and gain exposure to the arts, STEM (science, technology, engineering and math), global learning and more. We are willing and confident in our ability to help children continue to learn, grow and thrive.

This program, like all of our other initiatives, operates with safeguards in place to keep our students and staff members healthy. Our specially trained team helps practice social distancing, frequently disinfects program spaces and shared items, performs regular health checks and makes sure all kids stay safe while learning and having fun. **Currently serving grades K-5.**

### DATE/TIME:

Beginning August 30, 2021  
2:30pm to 6pm  
Registration begins July 5, 2021

### SCHOOLS SERVED

Ragsdale YMCA will be picking up from Jamestown Elementary and Millis Road Elementary. Service for Pilot Elementary, Florence Elementary and Jamestown Middle School will be dependent upon whether transportation is provided by Guilford County Schools. (Please note that schools we serve are subject to change. Parents are asked to place their request to their child's school.)
