

WATER FITNESS REGISTRATION TIPS

Here are some helpful hints for registering for water fitness:

This is the INCORRECT way:

spearsymca.org

programs

water fitness

register for water fitness

If they go this route they will see "no results found for you" and it will get them stuck in a loop which will not allow them to see programs at all going forward.

How to fix it if they see "no results found for you":

On their web browser go to history and then clear browsing data.

On ipad/iphone go to settings, safari, clear history and website data

CORRECT way:

spearsymca.org

at the top of the page click "online program registration/Y account"

sign-in

Next screen should be account options for (name)

click programs at the top of the page (let the page load and search by name or click water exercise and scroll until class is found)

follow enrollment steps
