Part X, Line 2:

It is the Association's policy to evaluate all tax positions to identify any that may be considered uncertain. All identified material tax positions are assessed and measured by a more-likely-than-not threshold to determine if the tax position is uncertain and what, if any, the effect of the uncertain tax position may have on the consolidated financial statements. No material uncertain tax positions were identified for 2023. Currently, the statute of limitations remains open subsequent to and including 2018; however, no examinations are in process or anticipated. Any changes in the amount of a tax provision will be recognized in the period the change occurs.
