

DISCOVERY STARTS HERE

After School at the Y

Small moments lead to big discoveries.

After School at the Y, kids don't just spend time.

They discover who they are. Each day brings new chances to try something different, explore their interests and build confidence along the way. Friendships form. Leadership emerges. Personalities shine. What begins as learning and exploring transforms into belonging, joy, new adventures, and the courage for children to be themselves. At the Y, **small moments** lead to big discoveries and **lasting growth**. Enrollment is open for youth enrolled in kindergarten through middle school.

Registration Dates:

Member: May 18 | **Open Registration:** June 1

Guilford County Branches:

Hayes-Taylor Memorial YMCA,
Ragsdale Family YMCA, Spears Family YMCA.

Program descriptions and additional details are available on our website.

CURRICULUM STANDARDS

Social-Emotional Learning (SEL)

Social-Emotional Learning (SEL) is the foundation of our program and is embedded in all activities. Children will develop skills such as empathy, relationship building, personal development, emotion management and self-regulation.

Character Development

Character development serves as the core of Youth Development programs. It is incorporated into games, team-building activities, daily routines, and snack time. Youth will explore caring, honesty, respect, responsibility, empathy, sportsmanship, and more.

After School Activities

- Physical Activity and Wellness
- Academic and Homework Support
- Outdoor Activities and Exploration
- Swimming and Water Safety
- STEM and Enrichment Activities
- Reading and Literacy
- Structured Group Games
- Youth Choice
- ... and so much more!
