

PERPETUAL SWIM LESSONS

Learn to swim all year long at the Ragsdale Family YMCA! Beginning in September, when you register for weekday Swim Lessons at the Ragsdale Y, your spot will be reserved for September 2026 to May 2027 upon registration.

Program Details

- **Participants will enroll once for the season** instead of registering each month.
- **Swimmers remain enrolled through May**, with automatic monthly drafts on the 1st of each month.
- **Families can enroll at any point during the season if space is available.** Mid-month enrollments are prorated, and swimmers will begin with the next available class.
- **Swimmers day/time may change when they advance**, but the aquatics team will communicate this and get parent approval.
- **The Aquatics Team will monitor progress and move swimmers to the next appropriate level when they are ready.** Families do not need to re-register.
- **To withdraw for the following month, families must submit their request by the 15th of the previous month.** Requests after the 15th will result in enrollment and billing for the following month.

Registration Schedule Details

- **Summer Lessons (June–August):** Month-to-Month registration
- **Summer Lessons (September–May):** Perpetual Enrollment registration
- **Saturday Lessons:** Month-to-Month registration year-round
