The YMCA Bears Swim Team is a member of the *Greensboro Community Swimming Association*. The Community Swim Association (CSA) is a non-profit organization comprised of 23 local swim clubs and more than 2,000 swimmers from ages 18 and under in the Greensboro, NC metropolitan area.

The YMCA Bears Swim Team provides a unique opportunity for children ages 18 and under to train and compete as a member of a team built around the YMCA core values of Caring, Honesty, Respect and Responsibility. Whether your child is new to competitive swimming or a seasoned year-round swimmer, the Bears will provide a challenging and rewarding experience for all its members. The Bears are preparing to start our 15th season in the CSA. In those seasons, we have established a tradition of fellowship, sportsmanship and achievement. Come be part of that tradition as the Bears brace to embark on another summer of fun and excitement in Greensboro!

2019 Season Detail

The YMCA Bears Summer Swim Team is open to all community swimmers ages 18 and under with a YMCA Family or Program Membership. All swimmers should be able to complete one full length of the pool (25 yards) doing any competitive stroke before signing up. If you are uncertain of your child's swimming ability, feel free to drop in for an evaluation with one of our coaches / aquatics staff to make sure that this is an appropriate program. While we adopt a philosophy of 'everyone swims, everyone wins' parents and swimmers should understand that the Bears is a competitive swim team, and participation at swim meets (by both youth swimmers and parent volunteers) will be strongly encouraged.
