2016-2017

OPERATION AND ADMISSION

AFTER SCHOOL OPERATIONS

The after school program operates from August 29th-June 9th 2016

After school Hours of Operation are from 7:00am -6:00pm Monday - Friday.

ADMISSION CRITERIA

Children must be in kindergarten to be accepted into our after school program. Parents must complete in its entirety the Hayes Taylor YMCA enrollment form prior to the start of the program. We require a copy of current immunization records to accompany all after school applications.

ENROLLMENT

Enrollment forms are to be filled out completely each year and updated whenever information on the form changes. A \$30.00 or \$25.00 is required upon registration. Payments are due the week prior to attending. We will notify parents of any changes to our operation policies in writing.

ARRIVAL AND DEPARTURE PROCEDURES

You must sign your child out daily. There will be a \$10.00 fee assessed to your account each time a child is not properly signed in or out. All persons authorized to pick up a child must be at least 16 years old, must show ID, and must be listed on the registration form or the child will not be released to that person. No child is able to leave the YMCA premises without a parent/guardian or any other authorized individual. No child will be able to walk/or ride a bicycle home without an authorized individual.

If you are late picking up your child, a late fee of \$1.00 per child per minute after 6:05pm will be charged; this amount will be due upon pick up. Childcare may be terminated if excessive lateness takes place. Any child that is not picked up within 1 hour of the closing time and we have called everyone on the contact list and can't get anyone, the staff will call 911 and report a left child at the program.

Parents are responsible for any child left at Hayes-Taylor Memorial YMCA after 6:00pm. Parents are responsible for making arrangements for the child to be picked up by another authorized person should they be delayed.

CUSTODY ISSUES

It is the Center's intent to meet the needs of children especially when the parents may be experiencing difficult situations such as a divorce, separation, or remarriage. However, the center **cannot legally restrict** the non-custodial parent from visiting the child, reviewing the child's records, or picking the child up unless the center has been furnished with current legal documents. Copies of these court documents must be kept in the child's file.

TUITION AND FINANCIAL ASSISTANCE

TUITION INFORMATION

If making monthly payments, fees are due by the 1st of each month.

If a child vomits for any reason the child must be picked up by a parent/guardian or authorized individual within 1 hour of notification. No child may attend after school if they have ringworm, pink eye, flu, or any other communicable illness. A doctor must treat any contagious infection; virus or fever and the child can return 24 hours after a doctor's note has been issued.

children have returned to the building. Parents can wait with their child until the drill is over and can sign them out afterwards.

FIRE/EMERGENCY DRILLS

We conduct fire emergency evacuation drills, lost child, and lock down drills regularly. Parents, staff and children will not be made aware of drill dates or times, as this is the most effective way to assess the success for fire and emergency/evacuation plans. During a fire/emergency drill, parents may not sign children into or out of the center, but must wait until the drill is complete and

DISCIPLINE AND SERVICE TERMINATION

AFTER SCHOOL DISCIPLINE

Praise and positive reinforcement are effective methods of behavior management of children. When a child receives positive, non-violent and understanding interactions from adults and others, they develop good self-concepts, problem solving abilities and self-discipline. Based on this belief of how children learn and develop values, this facility will practice the following discipline and behavior management policy:

Children are expected to adhere to all YMCA expectations and rules.

The following procedures for dealing with unacceptable behavior is as follows:

1. Clear Warning, including discussion of the problem that occurred with the child.
2. If problems are reoccurring, age appropriate renewal time will be used as needed.
3. Repeat renewal time.
4. Write up form and Student Journal will be completed and Child will meet with Family Services Director. Parent will receive write-up form and will sign and date.
5. After two write-ups parent meeting with site director.
6. Three Write-ups, Persistent problems or situations that endanger the child or others at the program could result in suspension or termination from the program.
7. Fighting results in automatic suspension without a refund of fees.

If a child is suspended or terminated from the program parents will not receive a refund for the current week.

DISRUPTIVE BEHAVIOR

Children are entitled to a pleasant environment at the YMCA; therefore, the YMCA cannot serve children who display chronic disruptive behavior. Such behavior is defined as "verbal or physical activity that may involve, but is not limited to bullying behavior or behavior that requires constant attention from the staff, inflicts physical or emotional harm on other children, abuses the staff and /or disobeys the rules that guide behavior.

If a child cannot adjust to the YMCA setting and behave appropriately, the child may be discharged. Reasonable efforts will be made to help children adjust to the YMCA setting.

Hayes-Taylor reserves the right to suspend a child for behaviors that cause physical or mental harm to themselves or other children.

Summary of the North Carolina Child Care Law for Child Care Centers

What is Child Care?The law defines child care as:

- three or more unrelated children under 13 years of age
- receiving care from a non-relative
- on a regular basis, of at least once a week
- for more than four hours per day but less than 24 hours.

It is only when all of these conditions exist that regulation is required. The North Carolina Department of Health and Human Services is responsible for regulating child care. This is done through the Division of Child Development and Early Education. The purpose of regulation is to protect the well-being of children while they are away from their parents. The law defining child care is in the North Carolina General Statutes, Article 7, Chapter 110. The North Carolina Child Care Commission is responsible for adopting rules to carry out the law. Some counties and cities in North Carolina also have local zoning requirements for child care programs.

Star Rated Licenses

Centers that meet the minimum licensing requirements will receive a one star license. Programs that choose to voluntarily meet higher standards can apply for a two through five star rated license. The number of stars a program earns is based upon the education levels their staff meet and the program standards met by the program.

Child Care Centers

Licensing as a center is required when six or more children are cared for in a residence or when three or more children are in care in a building other than a residence. Religious-sponsored programs are exempt from some of the regulations described below if they choose not to be licensed. Programs that operate for less than four consecutive months, such as summer camps, are exempt from licensing. Child care centers may voluntarily meet higher standards and receive a license with a higher rating. Centers will be visited at least annually to make sure they are following the law and to receive technical assistance from child care consultants.

Child Abuse, Neglect, or Maltreatment

Every citizen has a responsibility to report suspected child abuse, neglect or maltreatment. This occurs when a parent or caregiver injures or allows another to injure a child physically or emotionally. It may also occur when a parent or caregiver puts a child at risk of serious injury or allows another to put a child at risk of serious injury. It also occurs when a child does not receive proper care, supervision, discipline, or when a child is abandoned. **North Carolina law requires any person who suspects child maltreatment at a child care facility to report the situation to the Intake Unit at Division of Child Development and Early Education at 919-527-6335 or 1-800-859-0829.** Reports can be made anonymously. A person cannot be held liable for a report made in good faith. The operator of the program must notify parents of children currently enrolled in writing of the substantiation of any maltreatment complaint or the issuance of any administrative action against the child care facility. **North Carolina law requires any person who suspects child abuse or neglect in a family to report the case to the county department of social services.**

Parental Rights

- Parents have the right to enter a center at any time while their child is present.
- Parents have the right to see the license displayed in a prominent place.
- Parents have the right to know how their child will be disciplined.

How to Report a Problem

North Carolina law requires staff from the Division of Child Development and Early Education to investigate a child care center when there has been a complaint. Child care providers who violate the law or rules may be fined up to issued an administrative action, fined and may have their license suspended or revoked. If you believe that a child care provider fails to meet the requirements here, or if you have questions, please call the Division of Child Development and Early Education at 919-527-6600 or 1-800-859-0829

Reviewing Files

A public file is maintained in the Division's main office in Raleigh for every licensed center. These files can be viewed during business hours (8am-5pm) or requested via the Division's web site at www.ncchildcare.nc.gov or, viewed from the Division's Child Care Facility Search Site <http://ncchildcaresearch.dhhs.state.nc.us/search?lang=English>, requested by contacting the Division at 1-800-859-0829.

Licensed centers must, at a minimum, meet requirements in the following areas.

Staff Education and Criminal Records Background Checks

The administrator of a child care center must be at least 21, and have at least a North Carolina Early Childhood Administration Credential or its equivalent. Lead teachers in a child care center must be at least 18 and have at least a North Carolina Early Childhood Credential or its equivalent. If administrators and lead teachers do not meet this requirement, they must begin credential coursework within six months of being hired. Staff younger than 18 years of age must work under the direct supervision of staff 21 years of age or older. All staff must complete a minimum number of training hours annually including IT5-SIDS training for any caregiver that works with infants 12 months of age or younger. One staff must complete the Emergency Preparedness and Response in Child Care training and plan. On January 1, 2013 House Bill (HB) 737 became effective. This legislation made criminal record checks a pre-service requirement. All staff must also undergo a criminal records background check initially, and every three years thereafter.

Staff/Child Ratios

Ratios are the number of staff required to supervise a certain number of children. Group size is the maximum number of children in one group. Ratios and group sizes for licensure are shown below and must be posted in each classroom. A sample staff/ratio chart can be found on the DCDEE website under "Provider Documents."

Age	Teacher : Child Ratio	Maximum Group Size
0-12 months	1:3	10
12-24 months	1:6	12
2 years old	1:10	20
3 years old	1:15	25
4 years old	1:20	25
School age	1:25	25

When the group has children of different ages, staff-child ratios and group size must be met for the youngest child in the group.

Space and Equipment

Centers must have at least 25 square feet per child indoors and 75 square feet per child outdoors. Outdoor play space must be fenced. Indoor equipment must be clean, safe, well-maintained, and age-appropriate. Outdoor equipment and indoor furnishings must be child size, sturdy, and free of hazards that could injure children.

Program Records

Centers must keep accurate records such as children's attendance, immunizations, and emergency phone numbers. A record of monthly fire drills and quarterly shelter-in-place or lockdown drills practiced must also be maintained.

Curriculum

The Division of Child Development and Early Education does not promote or require any specific curriculum over another. The Division website maintains a list of approved curriculums for four-year-old children. Activity plans must be available to parents and must show a balance of active and quiet activities. Rooms must be arranged to encourage children to explore and use materials on their own.

Health and Safety

Children must be immunized on schedule. Each licensed center must ensure the health and safety of children by sanitizing areas and equipment used by children. Meals and snacks must be nutritious, and children must have portions large enough to satisfy their hunger. Food must be offered at least once every four hours. Local health, building, and fire inspectors visit licensed programs to make sure standards are met. All children must be allowed to play outdoors each day (weather permitting) and must have space and time provided for rest. Centers must complete the Emergency Preparedness and Response in Child Care training and plan.

Transportation

Child care centers providing transportation for children must meet all motor vehicle laws, including inspection, insurance, license, and restraint requirements. Children may never be left alone in a vehicle and child-staff ratio must be maintained.

Discipline and Behavior Management

Each program must have a written policy on discipline, must discuss it with parents, and must give parents a copy when the child is enrolled. Changes in discipline policy must be shared with parents in writing before going into effect. Corporal punishment (spanking, slapping, or other physical discipline) is prohibited in all centers. Religious-sponsored programs which notify the Division of Child Development and Early Education that corporal punishment is part of their religious training are exempt from that part of the law.

The law and rules are developed to establish minimum requirements. Most parents would like more than minimum care. Child care resource and referral agencies can provide help in choosing quality care.

For more information about quality child care, parents can visit the Resources in Child Care website at www.ncchildcare.nc.gov. For more information on the law and rules, contact the Division of Child Development and Early Education at 919-527-6335 or 1-800-859-0829; or visit our homepage at www.ncchildcare.nc.gov
