Fall 2018 Swim Lesson Schedule

Swim Starters – Stages A & B for Parent/Child participants; ages 6-36 months

Swim Basics and Swim Strokes – Stages 1-6; Ages 3-12

November Swim Lessons:

6:30-7pm 3-5 year old Water Acclimation/Movement

- This class is intended for 3-5 year olds who have never taken swim lessons before or are still beginners in swimming. They will be introduced to water safety skills such as floating on their back, blowing bubble in water, basic kick and scoop movements, as well as jumping in to submerge and surface. All skills will be taught with the use of a training noodle as added floatation.

7-7:30pm 6-12 year old Water Movement/Stamina

- This class is intended for 6-12 year olds who have taken swim lessons and can be classified as intermediate swimmers. These swimmers should be comfortable jumping into the water unassisted. They will work with the instructor to further develop techniques of kick and stroke movements. They will start the session with aid of some floatation but should be able to transition to using minimal assistance as class progresses.

If these classes are not the right fit for your child, please check out our Winter Swim Lessons coming in January. Please know that the YMCA Swim Lesson Program is based on a progression and should not be a one month stand-alone program. The Eden YMCA will offer \$15 off the 4th consecutive month of lessons. Please contact Cassy Velarde, Regional Program Director, for more information.

For information on stages not currently offered at the Eden YMCA, please visit ymcagreensboro.org to find a nearby branch with availability.
