Copies of these court documents must be kept in the child’s file.
DISCIPLINE & SERVICE TERMINATION

DAY CAMP DISCIPLINE
Praise and positive reinforcement are effective methods of behavior management of children. When a child receives positive, non-violent and understanding interactions from adults and others, they develop good self-concepts, problem solving skills and self-discipline.

Camp Boomerang’s behavior management policy is a guidance policy. We strive to steer campers toward good decision making and improved actions. Considering each camper’s age, developmental stage, and personality we establish fair and reasonable expectations of behavior and follow the below standards for redirection.

Developmentally appropriate expectations are set for each camper’s behavior.

- The camper will respect the rights and feelings of others and will avoid disruptive behaviors that would interfere with program activities.

- Aggressive behaviors such as hitting, kicking, biting, tripping, verbal "put-downs", spitting, and other inappropriate behaviors will not be tolerated and may result in immediate expulsion from the camp program.

- The camper will follow all directions given by the staff regarding safety procedures and will stay with the group for all scheduled activities.

- The camper will respect the private property of others and understand that stealing or vandalizing the property of others will not be tolerated. The repair or any maliciously caused damage will be paid for by the parents/guardians of the camper who caused it.

- The Ragsdale Family YMCA has a “no tolerance” policy on violence and bullying and has the right to expel any camp at their discretion.

DISRUPTIVE BEHAVIORS
Children are entitled to a pleasant environment at the YMCA; therefore, the YMCA cannot serve children who display chronic disruptive behaviors. Such behavior is defined as "verbal or physical activity that may involve, but is not limited to bully behavior or behaviors that require constant attention from the staff, inflicts physical or emotional harm on other children, abuses the staff and/or disobeys the rules that guide behavior.

If a child cannot adjust to the YMCA setting and behave appropriately, the child may be discharged.

The Ragsdale Family YMCA reserves the right to suspend or dismiss a child for behaviors that cause physical, mental or emotional harm to themselves or other children and staff.

DISCIPLINE STEPS

STEP 1: Talk to the child about the behavior or action that is causing disruption or harm.
STEP 2: Time out from an activity.
STEP 3: Loss of privileges.
STEP 4: Phone call to a parent/guardian to discuss the behavior challenge.
STEP 5: Formal Disciplinary Write Up. (Formal Disciplinary Write Up forms may be used as the first Step of behavior redirection if the behavior warrants).

AFTER 3 WRITE UPS: A conference will be held between the Family Services Director, Staff, Parents and Child.

AFTER 5 WRITE UPS: The child may be suspended for up to a week or face expulsion from all child care programs at the Family Services Directors discretion.

Some behaviors may result in immediate suspension or expulsion from the program. These may include but are not limited to fighting, causing bodily harm or mental distress to other children and the use of inappropriate language or words.
BEHAVIOR REDIRECTION
When a camper engages in inappropriate behavior that threatens the health or safety of herself/himself or others, YMCA Staff will do the following:
1. Take immediate action to stop the behavior.
2. Inform the camper and parents/guardians of the disciplinary action that will be taken. If the severity of the inappropriate behavior warrants, or if the camper cannot be controlled “on the spot”, it may be necessary to temporarily remove him/her from the situation. Parents/Guardians may be called to pick up their camper immediately.

In all other situations where the safety of the camper or others is not directly jeopardized, YMCA Staff will discuss the behavior problem with the camper, but will take no further action unless the camper repeats the behavior. This process assist the camper in learning to take responsibility for his/her actions. In these cases any of the following disciplinary procedures will be used:
A. Hold a discussion with the camper about the inappropriate behavior and it’s consequences.
B. Inform the camper of any disciplinary actions to be taken if the behavior is repeated.
C. Redirect or provide time away from the activity, with the camper returning to the activity contingent on a willingness to behave appropriately.
D. Provide time away from the activity and notify the parent/guardian of the camper’s behavior. If the behavior continues, a parent/guardian conference will be held.

If a camper’s persistent inappropriate behavior interferes with the needs, safety, or well-being of other campers, they may be suspended or expelled from camp. The decision to suspend or expel will be carefully considered and discussed before the action is taken.

There will be NO refund or transfer of fees paid if a camper is suspended or expelled from camp.

TERMINATION OF SERVICE
Summer day camp services can be terminated for the following, but not limited to, reasons;
- Consistent late pick-ups
- Request for special accommodations that the YMCA and Staff cannot meet
- Failure to pay tuition in a timely manner

- Extreme behaviors that prevent the camper from participating safely with peers.
- Extreme behaviors that prevent the staff from providing appropriate supervision to all campers in their care
- Failure to follow all established policies and procedures set forth by the Ragsdale Family YMCA and Camp Boomerang summer day camp program.

PARENT PARTICIPATION
We feel that the relationship between parent and staff is essential for the successful development and continued growth of our campers.

We ask that the parents support the camp staff when challenges arise and assist in the redirection of the campers behavior. Staff may reach out often for guidance and support from parents. It is our goal to maintain open lines of communication to ensure all campers have a positive experience at Camp Boomerang.
