YMCA Mission: To put Judeo-Christian principles into practice through programs that build a healthy spirit, mind and body for all.

**Aqua Aerobics** – A moderate-to-high cardiovascular workout that combines water resistance exercises and aerobic activity for a total body workout. (M/W/F)

**Aqua Blast** – A great way to start your day! Deep/Shallow combination class that will jumpstart your cardiovascular workout, wake up your muscles with strengthening exercises, and end with morning stretching for maximum flexibility and range of motion (T/TH)

**Aquacise** – A mild cardiovascular workout using water resistance to improve range of motion, muscular strength, and flexibility. (M/W/F)

**Aqua Combo** – This class combines deep and shallow water exercise for a total workout. (M/W/TH)

**Cardio Splash** – An intense and refreshing workout that strengthens the cardiovascular system and conditions the entire body. This fitness class combines elements from shallow water workouts for a total body workout. Exercise intensity is moderate to high. (T/TH)

**Deep Water** – A class geared to train your cardiovascular system as well as give you a total body workout with no impact. (M/W/F AND T/TH)

**Energizers** – This shallow water, intermediate intensity, moderate impact class includes water resistance exercises designed to build a cardiovascular workout. It incorporates the strengthening of all muscle groups and an increase in joint flexibility. (M/W/F)

**Tabata/Boot Camp Combo** – High intensity deep water interval training. Blast calories and tone muscles using 360 degrees of resistance. Warm-up followed by a series of timed exercise sequences coordinated to music and finally a cool down. Class sessions will alternate between Tabata and Boot Camp. (T)

**Water Walking** – This class provides less impact than walking on land. The focus is on endurance, mobility, and therapeutic conditioning. (M/W/F AND T/TH)

**Water Yoga** – Ease anxiety & stress; improve muscle strength & flexibility while gently aligning the joints. Enhancing balance & strength while calming the mind. (T/TH)

### **Specialty Classes**

**Aqua-Arthritis** – A non-aerobic class designed to work each joint through its entire range of motion. In addition, to increase the general range of motion and strength in joints. (M/W/F AND T/TH)

**Aqua Arthritis Plus** – The standard arthritis class with an added low intensity aerobic workout. (M/W/F)

**\*Fibromyalgia** – Designed specifically for those suffering from Fibromyalgia and/or chronic pain. Class concentrates on muscular strength, flexibility, and aerobic exercise.
